1 Work done in current Week

In this week I have learnt javascript and made some examples to handle the events that may arise at the time of user interaction with his own web-page. I have also learnt about jquery that will help me to handle different events.

2 Further Plans for next Week

I have to learn the php and XAMPP working style.

3 Reviewers suggestion in Meeting

1: Start working on php and see how to handle database. 2: Start working on D-jango also.
